Independent Auditor's Report

To the Board of Directors
World Computer Exchange, Inc.
Hull, Massachusetts

We have audited the accompanying financial statements of World Computer Exchange, Inc. (a nonprofit organization), which comprise the statements of financial position as of June 30, 2018 and 2017, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.

To the Board of Trustees
Page Two

Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of World Computer Exchange, Inc. as of June 30, 2018 and 2017, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2018 AND 2017

Note 1 - Organization

World Computer Exchange, Inc. (the Organization) is a non-profit organization based in Hull, Massachusetts funded to help bridge the global digital divide for youth, promote cultural understanding between students, and build local capacity for the use of information and communication technology in education. The Organization's major source of revenue is contributions which sponsor shipments of computers to various locations around the world. Other sources of revenue include payments for computers and reimbursement of shipping costs by partners of the Organization in other countries.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. The accrual basis of accounting recognizes revenues in the accounting period in which revenues are earned regardless of when cash is received, and recognizes expenses in the accounting period in which expenses are incurred regardless of when cash is disbursed.

Basis of Presentation

The Organization is required to report information regarding its financial position and activities according to three classes:

Unrestricted Net Assets - Net assets that are not subject to donor-imposed restrictions. Unrestricted net assets may be designated for specific purposes by action of the Board of Directors. As of June 30, 2018 and 2017, the Organization designated \$76,901 and \$55,728 respectively, for future shipments of computers and other World Computer Exchange Services.

Temporarily Restricted Net Assets - Net assets for which use is limited by donor-imposed restrictions that will either expire with the passage of time or be fulfilled by the Organization. As of June 30, 2018 and 2017, the Organization had \$101,668 and \$106,982 respectively, of temporarily restricted net assets.

Permanently Restricted Net Assets - Net assets which must be held in perpetuity as stipulated by the donor. As of June 30, 2018 and 2017, the Organization had no permanently restricted net assets.

Donor restricted gifts that are received and expended within the same year are reported as unrestricted.

Functional Allocation of Expenses

The costs of providing the Organization's programs and supporting services have been summarized on a functional basis in the Statement of Activities. Accordingly, certain costs have been allocated among the program, administrative and fundraising categories.

Cash and Cash Equivalents

For purposes of the Statement of Cash Flows, the Organization considers all highly liquid investments with an initial maturity of three months or less to be cash equivalents.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Accounts Receivable

Accounts receivable are stated at the amount management expects to collect from outstanding balances. Balances that are still outstanding after management has used reasonable collection efforts are written off.

Promises to Give

Contributions are recognized when the donor makes a promise to give to the Organization that is, in substance, unconditional. All other donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets.

The organization had one unconditional promise to give for general program support in the amount of \$15,000 at June 30, 2017 which was received in July 2017.

Fair Value of Financial Instruments

Note 4 - Cost of Sales

Cost of sales for the years ended June 30, 2018 and 2017 consist of the following:

	<u>2018</u>	<u>2017</u>

NOTES TO FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2018 AND 2017

Note 5 - Rent/Related Party Transactions

The Organization rents office and storage space from an officer of the Organization. There is no formal lease agreement in place except for approval by the Board of Directors. Rent expense related to this space was \$12,000 for both years ended June 30, 2018 and 2017.

The Organization has an affiliate, WCE-CA, with a similar charitable purpose which shares several board members. The Organization loans funds to and pays the expenses of the affiliate when needed and is occasionally reimbursed. As of June 30, 2018 and 2017, the Organization was owed \$8,046 and \$19,089 from the affiliate, respectively. The affiliate is in the process of closing and collection of the full receivable is unlikely. Therefore, approximately half of the balance in the amount of \$10,587 has been written off to bad debts at June 30, 2018.

Note 6 - Due to Officer

The Organization has an outstanding payable to an officer in the amount of \$417,032 and \$570,608 for the years ended June 30, 2018 and 2017, respectively. The officer makes advances to the Organization as needed and is repaid when funds are available. There is no formal repayment schedule. The officer has waived interest on the loan since January 1, 2006. The accrued payroll portion would only be paid off after program expenses are paid and likely at some smaller agreed-upon amount. The officer, at his discretion, donates a portion of the accrued salary each year. In recent years the officer has accelerated the rate of in-kind donation and thus the amount due to the officer has declined substantially. The due to officer activity is summarized in the following table:

	Accrued Payroll	Other Officer Loan	Total Due to Officer
June 30, 2016 Balance	\$ 516,899	\$ 59,199	\$ 576,098

Note 7 - Restrictions on Net Assets

Temporarily restricted net assets in the amount of \$101,668 and \$106,982 as of June 30, 2018 and 2017, respectively, are available for the following purposes:

	<u>2018</u>	<u>2017</u>

	<u>\$ 101,668</u>	<u>\$ 106,982</u>

In September, 2012, the Board of Directors of the Organization voted to accept stewardship of the W. Seavey Joyce S.J. Award and received all of the assets of that organization consisting of \$71,583 in a mutual fund. The Organization is not required to keep the assets in a separate account and the investment earnings are added to temporarily restricted net assets. Those net assets are restricted for direct costs related to the annual WCE internship. These costs include any related travel to a developing country, bank fees, medallion expenses, or required paid advertising or printing to recruit a student at Boston College who has demonstrated leadership in helping the under served who applies and defines a useful WCE project. During both fiscal years 2018 and 2017, the Organization spent \$-0- of the funds for costs related to the intern program.

Information returns filed for the years ended June 30, 2017, 2016 and 2015 remain subject to examination by the Internal Revenue Service and the Commonwealth of Massachusetts. The Organization does not expect that the amounts of unrecognized tax benefits will change significantly within the next twelve months.

Note 9 - Fair Value Measurements

The Fair Value Measurements and Disclosures topic of the FASB Accounting Standards Codification establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs consist of unobservable inputs not corroborated by market data. The Organization uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Organization measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs would be used only when Level 1 or Level 2 were not available.

The Organization's investments are reported at fair value and consist of the following:

	<u>2018</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Investments-Mutual Funds	\$ 61,325	\$ -	\$ -	\$ -	\$ 61,325
